CIRCULAR

Subject: Implementation of Corrigendum to the Faculty Publication Reward Policy -reg

This is to inform all faculty members that the **Corrigendum to the Faculty Publication Reward Policy** has been approved by the Management and shall come into effect from the **forthcoming publication reward cycle**.

The corrigendum has been introduced to encourage collaborative and interdisciplinary research, enhance the number of quality publications and ensure wider recognition of faculty members involved in collaborative research. The corrigendum **does not** alter the approved reward amounts; it revises only the eligibility and distribution mechanism for journal publication incentives.

The revised incentive distribution shall be as follows:

- **First Author** affiliated with SVIT – **100%** of the prescribed publication reward.
- If the **First Author is not affiliated with SVIT**, the **Second Author** from SVIT shall receive **100%** of the prescribed publication reward.
- The **Third Author** from SVIT shall receive **30%** of the prescribed publication reward.
- The **Fourth Author** from SVIT shall receive **10%** of the prescribed publication reward.

All faculty members are requested to take note of the revised provisions while submitting claims under the Faculty Publication Reward Policy. The research reward policy alongwith its corrigendum is enclosed herewith for your reference.
