EQUAL OPPORTUNITY CELL

The main problems faced by the people viewed as disabled, or with disabilities, or of minority status, stems from disabling environmental, economic and cultural barriers. Disability and minority are therefore equal rights issues on par with other forms of unjustifiable discrimination and prejudices. Therefore, the **Equal Opportunity Cell** has been set up by Sai Vidya Institute of Technology to address these and other urgent issues concerning SC, ST, OBC and persons with disabilities (PwD), as follows:
