- **Frequency of the Governing Council Meeting:**
Four times in a year

- **Frequency of Academic Council Meeting:**
Once in month

- **Nature and Extent of involvement of Faculty and students in academic affairs/improvements**

Institution has student community comprising of diverse geographical regions, ethnicity and varied socioeconomic, educational backgrounds. The admission of students at SVIT is transparent and is as per the GoK norms. The motto of SVIT is Learn to Lead and has well qualified, competent and dedicated faculty. Institution has good perception and brand in terms of Quality teaching. A group of around twenty students are assigned a faculty member as mentor to assess, guide and nurture them in their academic and career pursuits. The institution assesses the learning levels of the students at various stages of their study and categorizes the students into active learners and slow learners. The institution offers remedial classes, provides Course Material, YouTube Videos and has effective mentoring through proctor to support slow learners. To support and encourage academic excellence among students, 'Topper's meet' is conducted every year. The advanced learners are motivated to attend workshops/symposiums/seminars, to publish papers in IEEE Flagship conferences/Intercollegiate competitions. To facilitate student centric learning, pedagogies like experiential learning, participative learning and problem-solving methodologies are adopted for enhancing learning experience. All the class rooms are well-equipped with LCD projectors and students are also provided access to E-repositories through digital library. Highly qualified and competent faculty members ensure effective delivery of curriculum through ICT tools to make teaching-learning more effective. Course content is made available in respective subjective Blogs and YouTube Videos are made available in the SVIT YouTube channel (SAVI). The institution has Committee for effective implementation and monitoring of online TLP activities. The Institution has very transparent Internal/External Examination mechanism conducted strictly in accordance with the calendar of events of Institution which is in line with university calendar of events.

- **Mechanism/Norms and Procedure for democratic/good Governance**

The governance of the institute is highly enabling and empowering to make this institution a centre of excellence in technical education, management and research. The institute constituted various bodies such as governing council (GC), Academic Council (AC), IQAC, Department Advisory Board (DAB), mandatory committees as given by AICTE/Government, along with various other committees for smooth, transparent and effective functioning of the institute. The institute has well defined long term goals and strategic perspective plans, service rules and various policies for the excellence in the field of education. The institute implemented E-Governance in the areas of administration, finance, student admission and Examinations to maintain transparency. Effective welfare measures are implemented for the benefits of teaching and non-teaching staffs. The faculty members are financially supported for attending workshops, conferences, membership of professional bodies' etc. Faculty members are actively participating in the faculty development programs to excel in teaching learning process. The institute is having well defined performance appraisal system for the benefits of teaching and non-teaching staff. The institute is having well established financial management along with financial audits every year. The IQAC is constituted to monitor and evaluate the teaching learning process and overall academic excellence. This is an indication that the institute is having well established governance, leadership and management.

- **Student Feedback on Institutional Governance/
Faculty performance**

In every semester, the student feedback on teaching the course by faculty will be taken twice. First feedback on teaching will be taken one month after the commencement of the semester and second feedback will be taken at the end of the semester to measure the teaching performance of the faculty.

- **Grievance Redressal Mechanism for Faculty, staff and students**

Sai Vidya Institute of Technology is committed to provide safe, fair and harmonious environment for learning and working. Grievance Redressal Cell was set up at SVIT in accordance with the University Grants Commission Regulations 2012 (The Gazette of India, March 23-29, 2013), and Article XXV of the Constitution for handling grievances related to students and staff members. Grievance Redressal Cell facilitates the resolution of grievances in a fair and impartial manner involving the respective Department in maintaining necessary confidentiality, whatever be the nature of Grievance. Any stakeholder with a genuine grievance may approach Grievance Redressal Cell and submit the grievance in writing. The written Grievance may also be dropped in the Suggestion / Complaint Box. The Grievance can also be brought to the notice of the Grievance Cell through online Grievance Registration Form available in the College Website www.saividya.ac.in.

The function of the cell is to look into the complaints lodged by any staff/student of the college and judge its merit. The Grievance Cell is also empowered to look into the matters like harassment. In case the person is unwilling to approach Grievance Cell in person may drop the grievance suffered from in writing in the suggestion box installed at convenient locations in the campus.
