CHIEF GUEST - Lt. Col. Guruprasad S

Guest of Honor - Prof. Padma Reddy A M , Additional Director and VP - SSVVSS

Presided by - Dr Ramesh Babu H S, Principal, SVIT

The inauguration started with the welcome speech followed by invocation song and lighting of the lamp.

Further Chief Guest addressed to the student fraternity on the need for having such programs to invoke the awareness among the students.

Guest of Honor Prof. Padma Reddy A M , shared the valuable insights based on experiential learning and mentioned the importance of LOCE-2019

Dr Ramesh Babu H S, Principal gave the Presidential Remarks in the program and shared wishes for student's to learn from 02 days program

Day 1 : Session 1

Career Building & Opportunities in Indian Armed Forces

Lt. Col Guruprasad S delivered his talk to facilitate students with the basic aspects of building career path and need for it at this particular time. He shared on the opportunities available in Indian Armed Forces and also detailed as how one should prepare and think about joining Indian Armed Forces.

At the outset, the session was able to give the best opening for the program as the resource person was able to engage with students one on one and make the session more interactive.

Day 1 : Session 2

Career Opportunities in Industry - Experts Opinion

In the session 2, eminent personalities from the industry had participated and the panelists included:

1. Mr. Sridhar Ramakrishna from Federal Mogul
2. Mr. Vijay Bhaskar from Xorail
3. Mr. Vasudev, Consultant
4. Mr. Chandrashekar, Industrialist

Resource persons dwelt into the opportunities available in their industries and their career path which was inspiring to students participated. The session also involved a detailed individual talk and concluded with Q & A's from participants

Day 1 : Session 3

Career Opportunities as Entrepreneurship

In the session 3, we had an opportunity to have the successful budding Entrepreneurs included:

1. Mr. Yogeesh
2. Mr. Chethan
3. Mr. Mohammed Rehmath Khan

The session was an eye opener for students who believed that job was only option, post the session students were able to learn on the experience of budding Entrepreneurs. In the process, students were found passionate of exploring similar opportunities in their career path and were glad to be part of such inspiring learning sessions. Resource persons gave an insight on the methodology of initiating the ideas and further sourcing funds for the starting up enterprises.

Day 2 : Session 4

Higher Education in Overseas by Manya

In the session 4, Manya Team had visited our campus to engage one on one session to create awareness among students with regard to pursuing higher education in Overseas.

The session included the areas to discuss on:

- Opportunities for students to pursue higher education in overseas
- Various programs offered abroad
- Preparations required to pursue higher education in foreign universities
- Availability of financing options through scholarships and loans to enable learning in overseas
- How Manya will facilitate the students aspirations
- Way forward

Day 2 : Session 5

Higher Education in Overseas by VANI Institutes

In the session 5, Vani Institute had made well preparations to create awareness among students on the opportunities for students after their BE Graduation in 2019 including job opportunities in PSUs.

The key resource person Mr. Prakash who had great experience in similar programs and traveled various countries was able to deliver a power packed session. The team was highly focused on delivering the knowledge to students on:

- Opportunities in Higher Education after BE Graduation
- Employment opportunities in PSUs & Private Sectors
- GATE examinations & its importance for career path
- Job opportunities in PSUs based on GATE Score
- Choosing the right higher education for setting career in the right path
- Special offers with Vani Institutes for students of SVIT
- Way forward

Day 2 : Session 6

Exploring One's Own Potential

In the session 6, the department of Training & Placement engaged a detailed assessment session for students on :

- Personality Assessment [MBTI - A psychometric tool]
- Competency Assessment [SOCI - A analytical approach]

In the personality assessment, Dr Pradeep N E conducted a live psychometric assessment of students using MBTI tool by which students were able to learn on their own personality traits. Further it was deliberated to make them aware about matching personality traits with their career goals.

In the competency assessment, SOCI tool was used to analyze student's individual Strengths, Opportunities, Challenges and Improvement Areas on the identified parameters that included Attitude, Skills, Knowledge & Interest.

At the outset, students were able to learn on their individual personality traits and the competencies to plan and pursue their career path responsibly.

Day 2 : Session 6

The role of Training & Placement Department

The Department of Training & Placement felt the need of arising the knowledge among students with regard to the role of T & P Dept in the process of placing students on their right career path.

In this order the department engaged a session to discuss and deliberate on:

- About the Training & Placement Department
- Objectives of the department
- Policies & Procedures
- Code of Conduct
- Learning Methodology
- Placement Activities
- The need of training for successful placements

Finally the session was summarized and concluded with receiving feedback from the students on the 02 days program. Further an online form being shared to receive the opinions of students on the LOCE - 2019 and it was learnt that such programs will enable students awareness towards building effective career goals.

To conclude the LOCE - 2019 program, High-Tea was organized for students and the community dispersed with loads of learning and feel good moment of accomplishing event objectives.

Thank you Note:

The Training & Placement Department extends a warmth and heartfelt Thanks to:

The Management, for considering the request to host LOCE 2019 and allowing to make resources available on time

The HODs, for sparing their valuable time, extending suggestions and support and allowing students to participate in the LOCE 2019 program

The PET Team, without which the program wouldn't have been successful

CSE - Prof. Deeksha Hegde

ISE - Prof. Abhijith

ECE - Prof. Kumara & Prof. Darshan

EEE - Prof. Rekha Murthy

ME - Prof. Arun

CE - Prof. Gowtham

The Non-Teaching Staff, who shared their services in setting the resources and making the facilities available as planned

All Students, who made their time to be part of such wonderful learning experience at LOCE - 2019.

We the TEAM in Department of Training & Placement express our gratitude to all resource persons who made it happen for LOCE - 2019.

Thank you!

Dr Pradeep N E
Prof. Neethu Maney M
