

MOUs with Industries

Sl. No.	Name of the Industry	Date signed	Objective
1	Cyber Metric Services	27/02/2018	To Provide Software Training (CREO, Solid works and ANSYS) for the students of Mechanical Engineering to enhance modern tool usage and enhance employment opportunities. .
2	C-Balance	July 2018	To explore the modern innovations in the field of heating, Refrigeration and Air Conditioning.
3	Nettur Technical Training Foundation (NTTF)	9/10/2018	To provide training to the Diploma and ITI students through active learning and real time practices thereby contributing to the society and engineering fraternity.
4	Karnataka German Technical Training Institute(KGTTI),Bengaluru	25/04/2019	To provide skill development, advanced technology hands-on-Training and to enhance employment opportunities.
5	Indian Society of Heating, Refrigerating and Air Conditioning Engineers(ISHRAE)	30/11/2015	To provide its members Knowledge of Advancement of the Arts and Sciences of Heating, Ventilation, Air Conditioning and Refrigeration Engineering and Related Services through Lectures, Workshops, Product Presentations, Publications and Expositions and also provides career guidance and financial assistance to students for scientific research.
6	Society of Automotive Engineers	September 2018	To provide its members opportunities to gain broader insight into the engineering profession by sponsoring meeting that will bring practicing engineers to the campus, arranging field trips to research and engineering establishment, sponsoring student projects of engineering interest, and participating in SAE India section activities.

SAE Inauguration

MOU with KGTTI

MOU with KGTTI

Cyber Metric Services

Date of signing: 27/02/2018

Outcomes:

1. In house Internship on Creo software
2. It helped Students for project handling (drafting, Simulation).
3. It helps Students for attending technical interviews

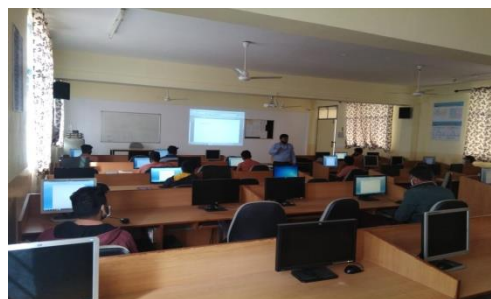

Training session for Mechanical Students by CMS Professionals

Nettur Technical training Foundation NTTF

Date of signing: 05/04/2018

Outcomes:

1. **Consultancy:** Training provided for employs of NTTF on lathe Machine, Fitting, Metrology and basics of computer.

Karnataka German Technical Training institute (KGTTI)

Date of signing: 25/04/2019

Outcomes:

2. Training Programme for students and Staff.
3. Students developed skill of using CNC machines and can perform various operations like milling, turning facing, etc.,

Students doing Internship at KGTTI

C-Balance

Date of signing: 02/07/2018

Outcome: Trained faculty on Refrigeration and Air Condition

Certificate issued to SVIT Mechanical staff for attending workshop conducted by C-Balance
