National Service Scheme (NSS) Unit

motto is

“Not Me But You”

The National Service scheme (NSS) is an Indian government-sponsored public service program conducted by department of Youth Affairs and Sports of the Government of India which was begun in 1969. Its primary aim is personality development through social (or community) service. The NSS motto is “Not Me, But You”

Most government and government-aided institutions (schools and colleges) have volunteer NSS units, and private institutions are encouraged to have NSS volunteers. A unit typically comprises 50 – 60 students. They are managed internally by responsible party from the school (or college), who reports the regional NSS coordinator.

The social activities aim to include social welfare in students, and to provide service to society without bias. NSS volunteers work to ensure that everyone who is needy gets help to enhance their standard of living

and lead life of dignity. The Sai Vidya Institute of Technology students actively participated in events conducted on behalf of Sai Vidya Institute of Technology NSS unit.

The NSS unit of the college has 100 student members and approved by VTU. The unit is headed by Dr. Harish H T, Chief Librarian & NSS Program Officer. The NSS unit has organized

Swachh Bharath Pakwada program in association with Rajanukunte Grama Panchyath 2016

Firstly, we started with a plan that had to be executed in order to make the people understand the importance of the Term "SWACHH BHARATH".

Our main goal was to spread the message of keeping our surroundings clean in order to stay hygienic and healthy.

This act included to clear the wastes which surrounded our college area such as Rajanukunte and several other areas nearby our college.

The Ghram Panchayat were kind enough to join hands with us and stood with us throughout this act. We Carried few banners and other requirements with us. We could clear noticeable amount of area for that particular day and our Volunteers tried their best to reach each of the houses to make them understand the importance of cleanliness.

We also instructed them to maintain 2 separate bins for Dry and wet wastes.

We placed few sign boards at the maximum targeted places, which warned people to throw the wastes only in the bin and to keep the surroundings clean . Some of the banners also included famous slogans. We then dispersed after the completion of final cleaning process near college surroundings.

At the end, we thought it was a success and hoped that we had at least changed few of the minds.

Swatch SVIT Campus Event

on 10th Feb. 2018

Firstly, we started with a plan that had to be executed in order to make the students to understand the importance of the Term "SWACHH Campus".

Our main goal was to spread the message of keeping our surroundings/Campus clean in order to stay hygienic and healthy.

This act included to clear the wastes which surrounded our college area such as Campus, Ground and near canteen of our college.

The HODs of all department and staffs were kind enough to join hands with us and stood with us throughout this act. We Carried few banners and other requirements with us. We could clear noticeable amount of area for that particular day and our Volunteers tried their best to clean our campus and make them understand the importance of cleanliness.

We also instructed them to maintain 2 separate bins for Dry and wet wastes.

We placed few sign boards at the maximum targeted places, which warned students to throw the wastes only in the bin and to keep the surroundings clean . Some of the banners also included famous slogans. We then dispersed after the completion of final cleaning process.

At the end, we thought it was a success and hoped that we had at least changed few of the minds.

Cleanliness Drive on 18th August 2018

Cleanliness is the act of keeping our body, mind, dress, home and even our surrounding clean and neat. We should bring cleanliness to our habits and remove dirt forever as it is the main cause for many diseases.

To bring this cleanliness into action the students of 1year of “SAI VIDYA INSTITUTE OF TECHNOLOGY” actively participated in the “CAMPAIGN”

The batches of 1year students were accompanied by 16 NSS volunteers and the college staff. The college decided to work in two places to promote cleanliness to its maximum.

students were taken to the airport connected fly-over nahalli Highway). The students were instructed about safety measures and were provided with gloves and mask.

Girls and boys voluntarily took part in removing the unwanted plants and thrown waste wrappers on the road. It lasted for about one and half an hour. Few localities and Government school kids noticed our work and were even inspired to help us clean. Though it was the regular road that they daily took to their work, that day was a new ceremony kind of feel to witnessed the cleaned and neat roadway they daily travelled in.

Lunch Box: with a bunch of thoughts Launched on 7th of September 2018

It is an initiative taken by Dr. Harish H.T, department of Library and Information Centre and NSS Wing. To improve the

ing habits in students and staff of Sai Vidya Institute of
ology.

“Knowledge is a commodity to be shared. For knowledge to pay dividends, it should not remain the monopoly of the selected few” said Moutasem Algharati.

Through this program students are allowed to share their thoughts and discuss many current affairs happening in day to day life. This program was started on 7th of September 2018.

The very purpose of sharing our thoughts is bringing upon an intellectual atmosphere where people debate and discuss their ideas leading to greater spread of different ideas, views and opinions.

This program was inaugurated by Dr. Ramesh Babu, Principal of Sai Vidya Institute of Technology. This program is an initiative taken to give an opportunity to students to bring up their thoughts and share it every Friday during lunch break, i.e., 12:30 to 1:10pm.

The camp members were divided into 5 teams, each team of 10 members. They were instructed about the rules and regulations of the camp. Next day activities were explained to the NSS volunteers and were dispersed with the NSS song.

Report on 4th March, 2019

At 06:00am the NSS flag was hoisted by the chief guest Dr. Ravindra HOD of chemistry department and guest of honour Prof. Manjunath Assistant professor of EC department. The flag hoisting ceremony was hosted by team Veer Savarkar. After hoisting, the ceremonial salute and NSS song was sung. The ceremony continued with the thought of the day and the day's news. The host team's theme at the flag hoisting ceremony portrayed "united patriotism". The theme inculcated a sense of patriotism and essence of unity. The team members of Veer Savarkar made a flower bouquet with only a few resources available inside the campus and without spending a single pie. The team gave the chief guest and the guest of honour a sampling as a token of gratitude symbolising harmonic living with nature

At 07:00am the students assembled at the basketball court and got ready for yoga. The yoga session was conducted so as to make the students aware about the effects of yoga in order to keep physically fit, mentally alert and morally upright. The session was successful in making students learn the different hasanas, meditation and omkara.
