Principal Message

Sai Vidya Institute of Technology - SVIT was started in the year 2008. Sai Vidya Institute of Technology is a brain child of academic stalwarts, who are staunch believers in the path trodden by the 'Gurus' of ancient India.

Since its inception the institution has exhibited intellect and openness to adapt to changing needs of our ever evolving education system. This is the genuine feeling my inner self could perceive at the very first moment of association with this Institute.

Students participation in NCC Activities

National Cadet Corps (NCC)

Sai Vidya Institute of Technology is allotted 3/1 COY NCC **affiliated to 1 KARNATAKA SIGNAL REGIMENT NCC with SD and SW Cadet divisions (Army) under NCC Group HQ 'A' of Karnataka and Goa Directorate**.

The National Cadet Corps (NCC) is a youth development movement. It has enormous potential for nation building.

The NCC provides opportunities to the youth of the country for their all-round development with a sense of Duty, Commitment, Dedication, Discipline and Moral Values so that they become able leaders and useful citizens.

The NCC provides exposure to the cadets in a wide range of activities., with a distinct emphasis on Social Services, Discipline and Adventure Training.

The NCC is open to all regular students of schools and colleges on a voluntary basis. The students have no liability for active military service.

Students participation in NSS Activities

National Service Scheme (NSS)

National Service Scheme (NSS) was introduced in 1969 with the primary objective of developing the personality and character of the student youth through voluntary community service. 'Education through Service' is the purpose of the NSS.

The ideological orientation of the NSS is inspired by the ideals of Mahatma Gandhi. Very appropriately, the motto of NSS is "NOT ME, BUT YOU".

An NSS volunteer places the 'community' before 'self'.
The social activities aim to include social welfare in students, and to provide service to society without bias. NSS volunteers work to ensure that everyone who is needy gets help to enhance their standard of living and lead life of dignity.

The Sai Vidya Institute of Technology students actively participated in events conducted on behalf of Sai Vidya Institute of Technology NSS unit.
