## **Center of Excellence in Artificial Intelligence and Machine Learning**

by

### **Lab to Market (L2M), an IISc.Startup**

The rapid advancements in Artificial Intelligence and Machine Learning (AI/ML) have made present technologies a transformative force across industries. The primary objective of the AI&ML Center of Excellence (COE) is to establish an ecosystem for research startups by using the multidisciplinary knowledge inside our organization.

**Vision of COE:** In address societal relevant problems of national importance using Artificial Intelligence (AI), Machine Learning (ML) and to create research Environment in SVIT.

As SVIT has signed MOU with Lab to Market (L2M), an IISc.Start-up and working on live projects using the Artificial Intelligent and Machine Learning Concepts and a server has been installed at our Institute.

Department of CSE(AI&ML) planned to set up Skill Lab and CoE in the Institute in association with Lab to market(L2M) to provide the necessary skills to our students on present Technology.

Comprehensive syllabus for the Skill lab is planned to provide extensive knowledge to the students in AI & ML and Practical experience working on live projects. The Faculty are trained by L2M and intern students are trained by faculty of respective Departments.
